SUPPLEMENT TO 25X1A  
REPORT NO.

During the month of May 1949 there was no traffic at DDSK Kaiserplatz dock, 25X1X and [REDACTED] very little traffic is anticipated, since the freight consigner who has been employed at the Kaiserplatz dock for some time, was recently transferred to the DDSG Praterkai landing and not replaced.

25X1X

[REDACTED] 36 railway section cars (Draisine), manufactured by a USIA firm in Lower Austria during 1948 for shipment to the Soviet Union, are still being stored in the warehouse at the Handelskai dock. 25X1X

25X1X [REDACTED] that the Soviets may have cancelled their order and that USIA is having difficulty finding a purchaser because of the high prices asked.

- Shipments delivered to dockside warehouses for barge loading during the month of May 1949.
